Office of General Secretary
Oorja wellness center, comba, Margao, Goa. 403 601
At the outset, I would like to convey my heartfelt gratitude to all the members of TAS family for showing trust in me as a president for last two years. During my tenure I tried to serve TAS to the best of my capacity. With the support of all members of TAS especially C. C. members so many targets are achieved. Allotment of permanent membership number was done which was due since long. I am very happy to share with you that our association has organized total four international conferences. Amongst two were organized during this tenure. These conferences provided an international platform to our members and budding shalakis to present their research work and express their views and by this way one of our aims was fulfilled. I must admire that it was possible only through support of all the members. Research activity is also one of the aims of our association. I am very happy to inform you all that it was also fulfilled by organizing two workshops. One was organized to establish and standardize research protocols in shalakya Tantra at State AYUSH training centre, Gandhinagar, Gujarat and second was organized to establish and standardize treatment protocols of shalakya Tantra disorders at Sri Sri College of Ayurvedic Science and Research Hospital, Bangalore, Karnataka.

Strength of any association depends on number of members it has. I feel very proud that highest numbers of members i.e. more than 175 (It is likely to increase up to two hundred before 31st March 2019) are enrolled during this tenure. I am very much thankful to all members who supported me to achieve this figure. Friends, you might be knowing that in initial stage we enrol PG/PhD scholars as an associate members by receiving Rs 1000/- only and they were instructed to become a bona fide member by paying remaining amount after completion of their PG/PhD study. When I became a president total of such members were 36. I am very happy to inform you that out of 36, twenty one associate members became bona fide members by paying remaining amount. For this task I got support from many members. I am very much thankful to them. Due to non-availability of any details of 15 members they remain still associate members.

It is also a matter of pleasure to share with you that we started work to establish our peer reviewed e-journal with ISSN number. We are also going to publish our updated directory so that information about our members can be available in one book.

In order to meet one of the aims to enhance relationship with each other, TAS is continuing to publish the news bulletin and by sharing news amongst all the members. I hope that the news bulletin will fulfil the aim of TAS and will update the members by providing the news related to association. I take opportunity to congratulate our entire team especially the Publication team for their efforts to make the news bulletin a success.

Thank you all once again!

Prof Vd Haridra Dave
President TAS
Friends,

The last year has been very fruitful year for the Association of Shalaki. We had a brainstorming seminar focused on Ayurvedic understanding of Diabetic Retinopathy at one of the premium centres of Ayurveda in Kerala. The Scientist from all over the world who are specialised in Diabetic Rethinopathy and trained in Ayurveda, Allopathy, and Drug Research had gathered for 3 days in July 2018. The crux of the seminar was a uniform treatment protocol for the patients of NPDR. Similar seminar was arranged at Pune in October 2018 which gave hands on training of the surgical procedures in Opthalmology and ENT to the budding Shalakis. Later on the auspicious occasion of Navratri we organised a workshop on painless tooth extraction with Jalandhar Bandh at Porbandar, Gujarat. The research and development is the main stay of our Association. In this regard we conducted a workshop to standardise treatment protocol at Bangalore.

We are pursuing CCIM to trifurcate the subject of Shalakiya for the purpose of advanced training and intensive understanding of the subject. We are also communicating with the department of AYUSH and CCIM to give the teachers of Shalakya the place and the honour they deserve in the colleges and Institutions.

For the PG students in Shalakya we have tied up with Shreedhareeyam and NETRA for the practical training on Kriya Kalpa and SICS.

With the untiring efforts by Dr. Haridra Dave and other members of central council, we are increasing our strength. As the tenure of this executive council comes to an end, I am particularly very much proud of the tremendous achievements we have accomplished for the TAS. I wish the speed of progress, which we achieved, would be continued and even doubled by the next executive council.

I wish all the success to all my fellow Shalakis.

Prof. Dr. PRANAV BHAGWAT
Gen. Secretary, TAS

RESOLUTION - The General Body of The Association of Shalaki (TAS India) held At hotel Sheraton Grand, Sangam-wadi, Pune, M.S. in its meeting held on 7th October 2018 at 4.30 pm hereby resolves to adopt Audited Statements of accounts and balance sheet of TAS INDIA for the year April 2017 to 2018. (March end).

Passed unanimously.
3.2 Audited Statements of accounts and balance sheet of TAS MSB for the year April 2017 to 2018. (March end).
3.3 Audited Statements of accounts and balance sheet of TAS GUJRAT for the year April 2017 to 2018. (March end).

Dr Pranav Bhagwat said that none of the state branches have submitted reports to the office. Dr. D.P.Puranik insisted that the audited statements of state branches are to be passed in their respective GBMs and then should be presented to central council. Dr Haridra Dave mentioned that as the transaction of accounts is very meagre in Gujarat state Branch, the Chartered Accountant has advised to consolidate the same with central TAS accounts. Dr. D.P.Puranik denied and said that even if the CA charges were more than the actual transactions that was needed to be done. Dr Puranik suggested taking some contribution from all their members as is done by MSB for proper functioning of the branch. Dr Sangita Salvi raised the question regarding return of Rs. 4 lakh legal funds taken from TAS INDIA by TAS MSB. It was informed to her that though TAS MSB had promised to repay the full amount within a stipulated time, the promise is not kept by TAS MSB. It was decided to remind the MSB to give back the funds to TAS INDIA.

Dr Puranik sir told Dr Dave sir to organise conference to raise money for Gujarat state branch for which Dr Dave asked how much money was generated from TAS MSB.

TAS MSB Officials present in the meeting said that the money that was generated from previous conference was less in amount and they were thinking of transferring the money to legal funds for which AGM objected. TAS MSB was advised to get their account statement audited and presented.

Subject 4. Planning of the further activities of the Association.

i) Hands on training on tooth extraction.

Dr. Haridra Dave informed the meeting that The association of Shalaki, Gujarat branch & TAS India along with Shri Bharatiya Samskruti Samvardhak Trust, Porbandar was going to organise a ‘Hands on training on Painless Tooth Extraction by Jalandhar Yoga’ from 10/10/2018 to 17/10/2018 at Shri Hari Mandir, Porbandar, Gujarat.

ii) Nimi eye care, treatment and research in Ayurveda headed by Dr. Rajesh Pawar and TAS would provide the hands on training on SICS and phacoemulsification for the members of TAS from January 2019. Dr. Pawar said that they had a lot of surgeons who had good experience for surgery and their expertise could be used for training candidates.

iii) The training about specific Kriya kalpa would be provided in association with Sreedhareeyam Ayurvedic eye hospital, Kerala.

iv) It was decided to conduct Cadaver dissection in JS Ayurveda College Nadiad, Gujarat in near future.

v) It was declared that TAS INDIA would organise a ‘Workshop on standardisation of Treatment protocol for the diseases of Shalakyatantra’ in January 2019.

vi) Dr. Haridra Dave informed that the gradation obtained from the workshop on
standardisation of research protocol in Shalakyatantra at Kolwada, Gujarat was sent to CCRAS for its reviewing.

vii) Dr. Haridra Dave informed that TAS State branch of Gujarat wishes to organise the next conference. The AGM principally agreed to the proposal.

Subject 7. Consideration of granting Bona fide Membership to the certificate, diploma holders like DAV, CRAV etc.

Dr Hemang Shah enquired whether giving membership to such candidates would raise problems for PGs on which Dr Haridra Dave answered in negative. Dr Sidharth Pawar enquired whether these courses were approved by the state Government to which Dr Haridra Dave again answered that DVV course is approved by GAU, Jamnagar and RAV course is approved by Dept of AYUSH, New Delhi.

Dr Rajesh Pawar asked whether we would admit optometrists too?

Dr Nimse said that this could lower our standards.

Dr. Rajesh Pawar said that we had given to a few such members previously but later it was decided to admit only PG in Shalakyatantra. Dr. D.P Puranik suggested sending a proposal to legal committee and letting them take a decision.

Dr. Haridra Dave also suggested considering BDS, MDS degree holders for associate membership.

Subject .5. Felicitation of outstanding merits / achievements of TAS members.

AGM conveyed Hearty Congratulations To Following TAS Members:-
  1) Dr. K.S.Dhiman- for prestigious LEGEND SHALAKI 2017 award.
  2) Dr. Sangita Salvi- for prestigious LEGEND SHALAKI 2017 award.
  3) Dr. Chandana Veerkar- for Maha AYUSH Kamal Puraskar.
  4) Dr. Sampat Bhatane- for Maha AYUSH Bhushan Puraskar
  5) Dr. Shamsa Fiyaz- appointment as a Professor at NIA, Jaipur.
  6) Dr. Dharmendra Waghela- appointment as a professor at IPGTRA, Jamnagar.
  7) Dr. Abhijit Agre- for felicitation by NIMA for his socio-medical contributions.
  8) Dr. Tushar Firke- for giving Madhusudan Zhanwar oration for community ophthalmology.
  9) Dr. Priayni Peiris for successfully conducting SHALAKYA SANDIPANI- at Yakkala, Sri Lanka.
  10) Dr. Praveen Chavan, Dr. Ghotane sir and Dr. Wagh for conducting synergy 2017 successfully.

Subject 8- Timely subjects with the permission of the chairman.

Dr Sidharth Pawar proposed to form SOPs for various Kriyakalpas and to contact all
Ayurvedic college for the same. Dr Haridra Dave said that Gujarat Ayurveda University had done a workshop last year for the same, in which all teachers had contributed and in near future a book will be published.

Dr. Rajendra Lahore reminded that he had asked TAS India about the actions taken against the rumours that were spread against Shalakis. Dr Pranav Bhagwat said that as they did not know who had spread the matter, they could not take further action.

Since Maharashtra Ophthalmic Society (MOS) has not given any support to Synergy 2018, Dr Anand Khadke said that one senior modern Ophthalmic Surgeon has given a suggestion to TAS to send one senior member from TAS to meet MOS and the issues can be resolved. Dr Sidharth Pawar informed that Dr Dhumane from Tilak road IMA was hopeful of IMA and TAS cooperating to work together. Dr Rajesh Pawar and Dr Paras Shah raised their suspicion about the motive behind these actions and advised to wait and watch and not take any action. AGM decided to wait for proposal from IMA to take further action.

Since there was no further subject to be discussed, Dr. Haridra Dave concluded the meeting. The meeting was finished with the national anthem.

REPORT OF TAS-INDIA (JULY 2018 TO MAR.2019).

"Look at the day when you are supremely satisfied at the end. It is not a day when you lounge around doing nothing; it’s a day you have had everything to do and you have done it" – Margaret Thatcher.

We started our work with this very thought and we continue with the same zeal. The year July 2018 -19 was heavily satisfactory.

1. Central Council Meetings-

The Central Council of TAS has met twice this year before the Conferences. It carried out the regular agenda under the chairmanship of Dr. Haridra Dave.

2. Seminars and Workshops-

a.) In July 2018, TAS India had organised 4 days Conference on the subject of “Ayurvedic Understanding of Diabetic Retinopathy”. It was our 4 th International Conference with 32 overseas experts and over 100 Indian delegates. The consensus was reached on diagnosis, treatment and research protocol on DR on the consecutive 3 days respectively. A research Performa and treatment protocol was prepared for NPDR by a committee comprised of experts from the field of Ayurveda as well as Allopathic Ophthalmology from various parts of India. Total 12 centres have shown interest for the multi centric research with the coordination by Shreedhareeyam ayurvedic eye hospital and research center, kerala. 

b.) A workshop to standardize the treatment protocol for the selected diseases of Shalakya Tantra was organised at Sri Sri college of Ayurvedic Sciences in the month of January 2019. Selected experts and senior teachers were given 3 topics each on which, they have to present classical as well as experiential therapeutic aspects, which were further discussed on the last day to come out with common, logical, practical and applicable treatment modalities. These will be presented to CCRAS, New Delhi for further development.

3. Celebration of TAS day- On 2 nd November and in the following week various members from all over India celebrated TAS Foundation Day. To the prominence, I must mention the places like Jalgoan, Nadiad, Pune, Goa & Jaipur.
4. **Membership** - With the untiring efforts by Dr. Dave, Dr. Firke, Dr. Shamsa Fiyaz, Dr. Sangeeta Sali, Dr. V. Hiremath, Dr. Pranav Bhagwat, Dr. Adoor, Dr. Netra Das, Dr. Abhijeet Agre, Dr. N.A Khan, Dr. Manjusha Rajagopala (to name a few) and various other stalwarts of Shalakya, we reached to the number of 735 including a member from Argentina.

5. **Directory** - We are coming up with the latest comprehensive directory with the efforts of Dr. Manjiri Keskar and Dr. Haridra Dave.

6. **Website** - As the Central Council decided to upgrade the website, with the help of Dr. Rajendra Lahore, Move soft Corporation is given a charge of website upgradation and the team is working on it.

Overall the year was busy, fruitful, enterprising and progressive for the members of TAS.
